

FIFTY YEARS AGO THIS WEEK

Although it was only May, members of the Junior Service League were shown putting finishing touches on articles for the Christmas season. They were Mrs. Spencer Johnson, Mrs. Robert Kistner, Mrs. John S. Bottomly, Mrs. Robert F. Staley, Mrs. Charles M. Williams, Mrs. Richard L. Miner and Mrs. Maurice A. Williamson, Jr. At Christmas, Friendly Aid would invite families to a sale of the items. The items were sold at a fraction of their real value, and the proceeds were turned back to the Friendly Aid Camp Fund. The toys were donated by local families and merchants, and if necessary, were repaired by the Cycle Cener Inc. Corkum Hardware supplied the paint.
